Subject: HPS - Transmittal of Plots Reproduced from the Draft Radiological Data Evaluation Findings Report for Parcel E

Hi All,

Please see attached box plots and QQ plots for trench and fill units at Parcel E. Plots were reproduced from the Draft Radiological Data Evaluation Findings Report for Parcel E Soil. Note that boxplots and QQ plots have not been produced for trench units TU229 and TU230 and fill unit ES867 (TU343); associated data is not available in FRED dated May 2017. Building survey units are also excluded from this transmittal.

Thanks,

Christina Rain, P.E.
